General Information

Breakfasts

All breakfasts (a rich and varied breakfast buffet with fresh products) are included for all participants and their guests in Luke's restaurant.

Professional Sessions

Sessions convene according to schedule on Monday, 27 January.

Dress Code

Casual throughout the week!

Hotel Dinners

Except Wednesday and Friday, dinners are included.

Wednesday Evening at Weitmoser Schlössl

After conclusion of our afternoon session, we will meet in the lobby and head out for the evening. We can either walk together (approx. 15 min walk), in small groups, or some of you might prefer to have a taxi called. The evening will take place at the Weitmoser Schlössl ("Schloßgasse 14" is the address for your google maps).

Friday Dinner

If you want to stay in the hotel for dinner à la carte, please make a table reservation with the front desk until Tuesday.

The restaurant closest to the hotel seems to the "La Piccola Italia" which is about a four-minute walk from the hotel.

Ski Rental & Lift Passes

Buy your Skipass online it is cheaper than at the ticket counter. The hotel does not offer ski passes as they would have to charge the ticket counter price, which is much higher than when you buy it online ahead of time.

The hotel suggests to rent ski equipment at Sport Fleiss at the bottom of the Schlossalm Gondola Bad Hofgastein.

As it is a 15-20 minute walk from the hotel to the Schlossalmbahn, the best way will be to store your equipment at the Gondola even though the hotel has a very nice and spacious ski-room as well.

Check Out

Check out time is at 11:00. If you wish to check out later, please let the front desk know as soon as possible.

Accommodation, meeting arrangements, breakfasts, and dinners are prepaid via the CILS master account.

You will be asked, however, to pay your incidentals like bar, dinner drinks, ski rental, lift pass, massages etc.
